

measuring growth

35 years of building together

Habitat
for Humanity[®]
of Coastal Fairfield County

2020 ANNUAL REPORT

New Heights

In the midst of the pandemic, we hit a significant milestone – our 35th year of operation. Our continuous desire to reach new heights propelled us through this unprecedented moment.

We continued to build and give opportunities for future homeowner families to accomplish their sweat equity hours and purchase their homes, albeit at a reduced pace. Dedications were held virtually. The ReStore, after a 3-month shutdown, reopened its doors to the public. And the generosity of donors like you kept us building.

Regrettably, not everything could carry on in a virtual format. We missed our strong core of individual volunteers and regular corporate and community build day groups. Our wall panel production shop was closed, along with our offices. And we did not get to celebrate this 35th anniversary with you. In lieu of that celebration, we hope you will enjoy our organizational version of the time-honored ritual of marking the growth of children on the door frame. Inside, we provide you with our significant moments of achievement.

We also learned that **home matters more than ever**. Our commitment to partnering with families, donors and volunteers to provide affordable homeownership opportunities has never been stronger. We hope you will help us reach our goal of dedicating our 500th home by the time we turn 50. To achieve this goal, we need to be even more ambitious and dedicated to our growth. We are grateful to those who have and will make the marks of our success possible.

GET INVOLVED! Learn how to volunteer, make a donation, and more at www.habitatcfc.org

“I believe that when you want something, you have to work for it. Habitat showed me that we’re stronger together; we can lift each other up.”

Janella - Habitat Homeowner

“This opportunity will change my entire family’s lives. It will give my wife and I peace of mind knowing that our children will have a safe home to come home to. Our children will experience things that my wife and I were not able to experience, living in a home owned by our parents.”

Ariel - Habitat Homeowner
